To Whom it May Concern:

This letter is to confirm that MyDailyChoice, Inc DBA HempWorx of Las Vegas, NV, is in good standing with the US Hemp Authority certification program. They are in the process of annual renewal for their certification under this program which, due to delays beyond their control, has exceeded the expiration date shown on their most recently issued certificate.

This extension of status as an operation in good standing with the US Hemp Authority certification program is valid for 90 days from the date of this letter.

Any questions pursuant to the company's certification status may be directed to FoodChain ID.

Sincerely,

A handwritten signature in cursive script that reads "Elizabeth A. Seibert".
